SOFT CHAMOIS THERAPY

CONTENTS OF THE ESSENTIAL PEARL SPA KIT

THE SPA TUB WITH JEWELRY BASKET – The jewelry cleaning container in which the Rx formula is diluted with water. The jewelry basket is specially designed to allow the solution to flush through the pearl jewelry and silk cord to remove dirt, without stretching the silk cord.

Rx FORMULA – 1 oz. bottle = 19 treatments. A natural, non-toxic, environmentally safe cleaning formula, gentle, yet highly effective at removing the chemicals found in personal grooming products and in the natural acids contained in body oils and perspiration.

TERRY TOWELETTE - A perfect-sized mini-washing cloth for two of the Pearl Spa treatments. Soft terry cloth is to pearls what a soft toothbrush is to teeth.
